GETTING STARTED

Share a fishing story--either one of your own or one that someone has shared with you.

INTO MY HEART

What were some thoughts from the text / message that stuck with you this week?

Is there anything surprising about what Jesus did in verse 14?

Read Matthew 4:18–22; Luke 5:1–11; John 1:35–51. What additional details can you glean from these accounts?

Read verse 18 again. How did Peter and Andrew respond to Jesus' call? How might we apply that to our lives today?

Take a few minutes to share what your occupation is with the rest of the group. List one of the blessings of that occupation and one of the challenges.

How does your occupation give you insight into being a fisher of men?
