GETTING STARTED

What's the most valuable thing you missed out on growing up?

INTO MY HEART

What were some thoughts from the text / message that stuck with you this week?

What are you greediest toward that you probably shouldn't be?

Do you often feel like a victim in life, unfairly treated? How does God unfairly tip the scales in your favor?

Imagine and discuss some of the discussions that might have happened had the man in the parable been surrounded by godly people in his life.

Everyone grab a piece of paper and draw a heart on that paper. Now turn your heart into a pie graph, dividing it up into sections of where your heart belongs (an example would be 25% God, 30% hunting, 25% family, 20% food). Feel free to get creative.

How would God want you to divide up your heart?

Can you think of a time where God has allowed you to use your earthly treasure as a way to bless others?

When you properly value earthly wealth and see everything as a gift from God, how does that change both your perspective and actions in this world?
