A Valuable Joy

GETTING STARTED

What pleasure in life do you not get enough time for?

INTO MY HEART

What were some thoughts from the text / message that stuck with you this week?

What are some of the things about money that Solomon is bemoaning in these verses?

How do both "wealth hoarded" and "wealth lost" fit into this bemoaning?

Why is it a blessing not to "reflect" with the mind but to "enjoy" with the heart? What might Solomon be saying about himself here?

What priority does the pursuit of wealth and work have in your life? Is this necessary? What are you expecting your life's work will give you in the end?

How much "gladness of heart" do you presently experience in your "labor under the sun?" What would help you enjoy work more?

What makes God's love so valuable both in the here and now and in the eternal future?
