

## Message Notes: Luke 17:1-10

### Faith that Delights in Duty

1. What does God owe us?
2. What image is brought forth by the words “things that cause people to stumble?”
3. Which is the better option between the two: Being cast in the sea with a millstone around your neck or facing God’s wrath?
4. In verses two through four, what are some of the commands God gives to us?
5. “...as Jesus points out the disciples' unworthiness, Jesus is headed to the \_\_\_\_\_ where he will rectify the situation.”
6. What is Jesus’ point in verse 6 (“If you have faith as small as a mustard seed, you can say to this mulberry tree, ‘Be uprooted and planted in the sea,’ and it will obey you.”)?
7. Why can God being “bad at math” be so comforting?
8. Why can you delight in the duties God gives you?

### Faith that Delights in Duty

#### GETTING STARTED

As a child, what was a surefire way siblings, parents, peers, etc. could get under your skin and make forgiveness a little difficult?

#### INTO MY HEART

What were some thoughts from the text / message that stuck with you this week?

What might be a present day example of what Jesus describes in verse one?

How could you practice verses three and four without reinforcing someone’s bad behavior?

Do you relate to the disciples’ plea in verse five?

Spend some time talking about the things that go into the attitude Jesus’ followers should have while serving him.

Which quality of discipleship do you have the most difficulty with?

How might dealing with this affect the other qualities?

How does Jesus empower everything that you’ve just talked about together?
