5. Why do we not need to fear Jesus coming again?
6. List some ways Jesus has shown he serves and blesses us.
7. "Keep listening to God's _____, _____, through the highs and lows all the way up to its perfect ending in heaven written by Christ's blood on the cross."

God Has A Beautiful Plan

GETTING STARTED

When you think of the Bible, what is the first song that pops into your head?

INTO MY HEART

What were some thoughts from the text / message that stuck with you this week?

What is the relationship between watchfulness and worry (you can use verses 22-34 for guidance)?

Are you a night owl or an early bird? Both? Neither?

Staying alert spiritually can be just as tough as staying awake physically. What are some of the dangers Jesus is warning you about in this section (v. 35-40)

Consider verse 37. How do you feel about Jesus serving you?

Which danger is most likely to be a problem for you?

How can we "gird our loins" and let our light shine in today's world?

Do you remember a time when God let you see his plan was better than your plan?

What helps you remember that the Christian life is worth it?
