

## Message Notes: Isaiah 63:7-9

### God's Mercy And Kindness Are Yours

1. What was the one constant the prophet Isaiah focused on?
2. What does LORD in all capital letters signify?
3. How did the people of Israel often respond to God's faithfulness?
4. "God was the LORD of free and faithful love showing his \_\_\_\_\_ in all the days of old."
5. Despite our sinfulness, what are some ways God has blessed Salem over the past years (If you are a visitor, you can list ways he has blessed your own church and life or perhaps ways you are hoping he will bless you in the year to come)?
6. What's the biggest blessing God has given you?
7. No matter what happens in the new year, what will always be waiting for you in Christ?

## Growth Group: Isaiah 63:7-9

### God's Mercy And Kindness Our Yours

#### GETTING STARTED

When you were a teenager, did you ever get in trouble trying to rebel against your parents' authority? How did they respond? If you could have switched roles and been the parent, how would you have responded to this teenage rebellion?

#### INTO MY HEART

What were some thoughts from the text / message that stuck with you this week?

Have you ever done something stupid, but God still blessed you anyways?

What are the three most common emotions you feel when you come to God in prayer?

What things might the prophet be recalling as he considers "the many good things God has done for the house of Israel?"

What do these verses express about God's relationship to Israel?

Why can it be ok to boast/take pride in certain blessings at church, school, or home? How can we make sure to go about this in a godly way?

As you look back at the past year, is there any blessing where you could see God's hand at work?

As you look to the future, how do you feel? What are some things from this week's message that can give you confidence as you move into the future?
