

TUITION

2023– 2024 School Year

The members of Salem Lutheran Church generously support the Christian education of children through Salem Lutheran School. Our congregation gives a large amount of money in tuition assistance for families whose children attend Salem Lutheran School.

Tuition for member and community families is set to the cost of educating a child. This amount is charged to all families that attend Salem. In the registration process for K-8 students, member and community families are able to apply for tuition assistance through our TADS program. This program utilizes a family's tax records to calculate their need of assistance. After de-identification (names are replaced with a random number) the TADS' calculated need for each family is given to Salem's School Board who then uses this information to allocate the tuition assistance from Salem Lutheran Church.

Registration Fees:

Preschool : \$175 per student (nonrefundable) (\$100 before March 1)
Kindergarten - Grade 8: \$275 per student (nonrefundable) (\$175 before March 1)
