2. In your own words summarize what John 3:16 says.
3. What's one thing from the message that demonstrated Romans 8:28?
4. What's one thing from the message that demonstrated John 3:16?
5. When it comes to faith, who is the one most powerfully working (hint: it's not you or me)?
6. List several pieces of advice given near the end of the message.
7. Thank you so much for the time you've given me at Salem. It makes me happy that even though we will be in different places, we will be sharing the same saving message: "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life."

### Pastor Jake's Farewell Sermon

#### GETTING STARTED

At Salem it is time to call for a pastor. What do you think are the absolute most important qualifications for a pastor at Salem? Why? Keep these qualities in mind as you think about answering some of the questions below.

#### INTO MY HEART

What were some thoughts from the text / message that stuck with you this week?

How have you seen Romans 8:28 in your own life (if everyone is comfortable with it, this might be a great time to go around the room and have each person share a part of their story)?

Within your own group, how can you help each other see the truths of Romans 8:28 and support each other?

Outside of your own group, how can you help others see the truths of Romans 8:28?

How have you seen John 3:16 in your life and the lives around you (again, great time to have each person share)?

Within your own group, how can you help each other see the truths of John 3:16 and support each other?

Outside of your own group, how can you help others see the truths of John 3:16?

Near the end of the message, did any of the advice Pastor Jake gave stand out to you? If so, what?
