Matthew 3:13-17

### GETTING TO KNOW EACH OTHER

What is the most memorable baptism you've witnessed? What made that baptism so meaningful?

### INTO THE WORD

What was the core teaching of John the Baptist? How was his message so needed during that time?

Read verse 14-15. Notice Jesus doesn't disagree with John's thinking behind him trying to stop Jesus. Yet Jesus asked to be baptized **"to fulfill all righteousness"**. What does this mean?

In the Bible there are passages of "prescription" (when God commands us to follow a command exactly as given) and there are passages of "description" (when God simply describes in the Bible something happened in the past). Is the method of baptism prescriptive or descriptive? What about the first part of verse 16?

During the sermon, three Bible passages were referenced but displayed on the worship screen. What is the spiritual importance for each of these passages in connection with baptism?  
(Genesis 5:3, Romans 8:7, 1 Corinthians 2:14)

### INTO MY LIFE

Do you know when you were baptized? Did you have sponsors/Godparents? Are you the sponsor/Godparent for someone?

What peace does your baptism give you in your daily life? How can you contemplate and celebrate your baptism more often?

Why is remembering and relying on the truths of baptism comforting to those who are facing death? After discussing this question and pondering how personally this is comforting, look up Romans 3:4.
